PRIVATE GROUP AND TEAM INSTRUCTION AVAILABLE.

PROFESSIONAL INSTRUCTION

Cutting edge information taught at the major league level is presented by our staff of professional instructors. Bio-Kinetics Inc. contracts with major league teams to analyze players during actual competition. They use sophisticated video and computer software to determine the key fundamental mechanics demonstrated by the most successful players. Through our exclusive relationship with Bio-Kinetics Inc., we are able to present this same information to our students.

HITTING - Learn the difference between personal style and the absolute fundamentals demonstrated by “all” successful major league hitters. See how important dynamic balance, sequential rotation, axis of rotation, and bat lag are to professional hitters. Learn how to deliver the bat to the ball “on time”.

PITCHING - “Tall and Fall” or “Drop and Drive” Learn how proper balance and sequential rotation can increase pitch velocity while protecting against arm injuries. Find your natural “arm slot” and which pitches work best with your personal style.

FIELDING - Anticipation, rhythm, and momentum are keys for major league infielders. The focus is on proper foot work, quickness, and positioning.

INSTRUCTIONAL STAFF:

- Mike Brooks -----Hitting • Fielding
- Tony Wood -----Hitting • Fielding
- John Welker -----Pitching • Hitting
- Mark Young -----Pitching
- Terry Delikat -----Strength • Speed • Agility
- Toby McDermott ---Pitching • Hitting
- John Mattson -----Pitching
- Joey Swanson -----Catching • Hitting
- KC Jones -----Pitching

MISSION STATEMENT

To provide Northwest players the resources required for success at their “NEXT LEVEL” of competition.

“Expanding Opportunities Through Baseball”

The NW Timberjacks Baseball Club is a select baseball program designed to provide dedicated young players in the Puget Sound Region a vehicle to help them realize their goals and enhance their opportunities to compete at the highest level. It is the goal of the club to produce not only quality baseball players, but also good citizens by instilling the principals of sportsmanship, teamwork, honesty, work ethic and respect for authority. The club also places a high priority on academics and emphasizes school performance as a critical ingredient in the success of the players' development.

The Timberjacks organization provides a year-round program for these young athletes who have demonstrated the skills and desire to advance to the next level. The Timberjacks program includes:

- Teams at five age divisions, 13U, 14U, 15U, 16U & 18U. Younger players focus on fundamentals and understanding game strategy. Older players prepare for the next level by fine-tuning their skills and competing against the top teams in the Northwest.
- A professional coaching staff that includes ex-professional and college players who are devoted to preparing and helping these young men to reach their goals. All aspects of development are addressed including the physical and mental skills required for success.
- A complete indoor winter training and conditioning program with pitching machines, batting tunnels, pitching mounds and a complete range of strength and conditioning equipment.
- A complete summer season of league and tournament games against the best competition in the Northwest.
- The older players also participate in a college prep information and consulting program.

The NW Timberjacks Media Guide is used as a promotional tool to enhance the exposure of our players and programs. All Northwest college baseball coaches and professional scouts are sent copies of the Media guide together with our season schedule. Copies are also made available and distributed at all of our league and local games. We urge all players, parents, and affiliates to honor and support the businesses advertised in our program.

COACHES

Pitching Coach for the U13 NW Timberjacks, KC played for the 2000 Timberjacks as a hard throwing sophomore pitcher out of Eatonville HS. After graduating in 2002, KC was drafted and signed a professional contract with the Minnesota Twins.

Casey is currently pitching for the Chillicothe Paints in the Professional Frontier League.

Assistant Coach, Bob Frost, is a graduate of Centralia HS; played on the 1982 State Championship Baseball Team; MVP 1983 SW Washington Feeder Game & All State team. Bob played four years of college baseball; one year professional with NW (A) League, Bend Bucks in '87.

Head Coach of the U13 NW Timberjacks, Joey was the captain and "spark plug" of the inaugural 2000 Timberjacks. "Swannie" has coached three years at the select level including the Baseball NW Junior Fall Scout team at the Arizona Fall Classic in Peoria. Joey is a catching instructor at the Baseball Northwest training facility.
